The national guidance on the phased re-opening of schools is for many a welcome move in the direction of some sense of normality. I will in due course be writing to the parents of year 10 and 12, to inform them of our school mitigation measures and our phased plan for re-opening. All our plans are at this stage provisional, dependent on both the national picture and the delivery of key resources.

As ever, we as a school stand united within our school community. Please do continue to get in contact through the reception email as you need us.

Stay safe online together.

Cor unum, via una

Mr G Thompson
Headteacher
