[Lincolnshire Stay Safe Partnership \(LSSP\)](#) invite students aged 11-18 to complete their annual survey 'Keeping Safe LSCP/SLP Secondary /College Survey 2024'. The survey has previously only focused on students' online usage and experience of online bullying. This year LSSP have adapted the survey to target questions around Online behaviours as well as Anti-Social behaviour. The results from the survey will be used by our community safety team to impact on practice and policies related to anti-social behaviour, to help us support our communities more effectively. Previously the survey has helped us to gain a greater understanding of the app's students are using and experiencing issues on. This has in turn helped us to focus our preventative education messages. The more students answering the survey across the county, the clearer picture we can gather to help protect students. We would ask you to consider completing this survey: <https://forms.gle/wkLg4s2fTEA1Fvmf7>.

And a reminder, that **Monday 6 May** is a **Bank Holiday**, school will be closed on this day.
