Dear Mr Thompson

PLAY IN A DAY

STARS are staging two days of free, fun and engaging drama, dance and music for local children aged 7-11 and 12-16 in August this year. We've got an incredible opportunity to win £1,000 to support this and future such events but we need help!

All it takes is a quick click on either of the links below to read full details of our event, leave a vote and help us surge ahead in the TicketSource Community Event Fund Competition.

We would be immensely grateful if you can share this information with your parents, staff and pupils via your usual communication channels such as newsletter and social media accounts.

In 2023 we staged our first PLAY IN A DAY for primary school aged children at Meridale in Sutton-on-Sea. We are extending this in 2024 to include secondary students up to age 16.

Before amalgamation with Sutton Theatre Company in 2020 to form STARS, Tennyson Amateur Players ran annual week-long performance arts workshops for 7–16 year-olds at what was Tennyson High School / Monks' Dyke Tennyson College. We are very conscious of the impact of marginalisation of arts education since 2010 and the difficulties that pupils living in the LN12 area face attending extra-curricular activities when they have to travel up to 15 miles for school.

Your votes could be ones that propel us to the next stage of the competition! I do hope you will be able to support us in that quest.

Kind regards

Chris Flanagan
STARS Chairman
