Lincolnshire County Council has advised us of planned road works on the B1196 Willoughby Road, Alford due to finish on Wednesday 6 November. This will lead to bus diversions. Maps for 'day and night' closures are attached for your information.

Phase 1: Should now be complete.

Phase 2: There will be overnight road closures up to 6 November. The road will be open during the day, but there no assurances that a large bus will be able to get through, Hunt's will be extending their 96 service diversion, to add the market place and South Street bus stops to the excluded stops on the route and the pickup/drop off points will be at the Anchor/The Co-op (*unless services are authorised to use the turning circle, then they will not be affected for school drop off*). No services, unless using the turning circle, will be using the market place/South street/bottom of Finsbury Street stops.

A further reminder of some forthcoming dates for your diary (please do check the intranet or school website for a full list of [calendar dates](#)):
