A further reminder that the **Year 9 MenACWY & Td/IPV vaccination programme** is on **31 January**. Please remember to give consent for your child to be vaccinated by following the instructions in the attached letter.

We are excited to confirm that we are starting our annual **Saturday School** from **Saturday 11 January**. This year we will be opening the Saturday School to not only **Year 11** students, but also to our **Year 10** students who are preparing for their GCSE RS examination. The Saturday School is intended to be a different way of working, with the best results being achieved if students come prepared with a list of topics within subjects that they do not yet understand. Y12 students will be available work through these, during the course of the mornings, addressing areas of confusion as they go. These mornings are more relaxed, with students effectively designing their own timetables for the day. A reminder that there is no requirement for school uniform to be worn on these Saturdays.
